

Announce Your Presence at the Inland Northwest Green Fair!

KLEW-TV will broadcast several 60-second segments featuring “interviews” with vendors throughout the day on Friday and Saturday to encourage people to come to the Green Fair.

- Your interview will be recorded at your booth between 9 and 11 a.m. on March 25.
- Your interview portion will last approximately 45 seconds, giving you the opportunity to spotlight the products and services featured at your booth (the remaining 15 seconds will be used to promote Green Fair attendance).
- Each interview will run at least twice (total) throughout Friday and Saturday (March 25 and 26) during Green Fair hours.

Price:
\$50 Per Interview
\$15 for DVD of the Interview

Don't miss the chance to let people know you are there, what you have to offer, and that they need to come and check out your booth!

We would love to feature each participating vendor in the Inland Northwest Green Fair, but due to time constraints, this special promotional opportunity is limited. Don't miss out!
